7<sup>th</sup> - 10<sup>th</sup> NOVEMBER 2024

### WORKSHOP ON LYMPHOMA CASES - UNDER A MICROSCOPE

We hope this letter finds you in good health and high spirits. It gives us great pleasure to cordially extend our invitation to you to participate in the lymphoma workshop (pre-conference HEMATOCON 2024).

We are conducting a one-day workshop on "Lymphoma cases- under a microscope" at AIIMS, Nagpur on November 07<sup>th</sup> Thursday, 2024. Aim is to do live case discussion, interact and share our experience.

We invite you to join us and present any case of lymphoid proliferation. This could be an interesting case or a diagnostic dilemma. Please bring a worked-up case with H&E slides (with or without IHC's). We will discuss it under microscope with projection screen. Plan is to do ~20-25 cases (kindly note no power point presentations).

You may decide if you wish to register for both workshop and CME (HEMATOCON), or else only for this one day workshop.
